

Dear parents and carers,

Please see below this week's Chesterton blog. We hope you enjoy reading the updates from departments and teams across the school.

Thank you so much to all our staff and students for their ongoing hard work.

The team at Chesterton are always keen to hear from parents who'd like to get involved with school life: please don't hesitate to get in touch if this is true for you.

All the best for a restful weekend.

The variety, known as 'Charlotte,' is expected to be ready for harvest next month when the flowers and foliage start to wither. Thanks to the hard work of the Year 8 group, who spread wood chips around the bed for easy access, the plot is thriving beautifully.
